

Project Manager

Riverside, Missouri, United States · PMO · Full-time

Description

Intercon is a specialized heavy manufacturer of equipment for the defense and commercial marine industries. Intercon produces propulsion machinery components for US Navy Destroyers, Aircraft Carriers, Frigates and Submarines. Intercon also designs and produces heavy marine winches and articulated tug-barge couplers used in the marine transportation sector.

Intercon is seeking a highly motivated and skilled Project Manager who will be responsible for delivery of all program/project requirements related to delivery schedule and cost. while achieving all technical requirements and developing customer relationships to support long-term growth. The individual will lead a cross-functional organization aligned to common program performance goals. Project Managers are responsible for leading all phases of the program life cycle from inception (proposal development) through startup, execution, and completion (contract closeout).

Primary responsibilities:

- Development and management of project schedules
- Technical performance of projects to customer requirements
- Management of project costs
- Cultivating customer relationships to develop further opportunities within the customer community
- Delivering presentations to customers, executive management and other program stakeholders
- Participating in the negotiation of contracts, contract changes, specifications, operating budgets, schedule milestones, and key terms and conditions
- Identifying, allocating and managing program resources, including workforce planning
- Managing suppliers to meet program objectives
- Conducting thorough risk & opportunity management practices including identification, mitigation and realization

Requirements

- Bachelor's Degree or 5+ years of experience in project management capacity
- Experience leading the performance of tasks on schedule, at cost and achieving all requirements as project lead/project manager
- Demonstrated success leading teams/and or organizations to achieve a common goal
- Candidate must possess excellent verbal and written communication skills
- Must be able to read and write English

ITAR Requirements:

In order to comply with U.S. government regulations applicable to this position, all applicants must be either a U.S. Citizen, lawful permanent resident of the U.S., as defined in 8 U.S.C. 1101 (a)(20) or a "protected individual", as defined by 8 U.S.C. 1324b(a)(3).

Benefits

Salaried position. Relocation assistance is possible for a candidate with the right qualifications. Typical pay range is \$80,000+ per year based on qualifications. Intercon offers a competitive benefits package including:

- Paid time off
- Health insurance
- Dental insurance
- Vision
- 401K with employer match
